A Trainee Nail Technician Certificate is awarded at the completion of the course along with a **20% discount on products** from Nail X, the official distributors of INM, both valid for 12 months.

Models, found by the student, are required to be worked on during the course.

Payment:

Payment can be made via PayPal at www.caughtredhanded.co.nz or via internet banking to Justine Johnson ANZ 06 0645 0162752 02

Please note paying with PayPal in include a 4% surcharge.

As we are a private training establishment, we do not accept Student Loans for our courses.

The dates for training will be organised between student and educator, Justine Johnson, once payment has been made.

Refunds:

Course costs are refundable **up to one week before the course start date** except for a $250.00 administration fee.

The full cost of the course is non-refundable a week before the course start date.

A Doctor's certificate is required if sick days arise and another date will be booked to continue the training.

After the Gel Polish Foundation course:

The trainee must then put in at least 3 hours per week practice and can charge trainee prices.

Before and after photographs of clients done by the student of manicures and pedicures, need to be sent to the educator during the time before their exam.

A **practical and theory exam** will be offered two months later (but can be extended if the student needs more time to perfect her nails, but this needs to be done within the 12 months). The exam morning or afternoon is $200.00 and payment is required upon booking of the exam.

The Trainee Gel Polish Nail Technician Certificate will expire 12 months after the student's initial training course if they have not sat and passed their exam.

QUALIFICATION

INM Gelavish Nail Technician Certificate – Internationally Recognised

Caught Red Handed Gel Polish Nail Technician Certificate – National Standards

These Nail Technician Certificates will be awarded to students who have attended the novice course, completed at least 15 gel polish manicures/pedicures, including removals, and passed their practical and theory exams over at least a two-month period and within the twelve-month period.

They will have demonstrated to a high standard the skills and knowledge to perform a range of nail services at a professional level within the commercial environment.

Those skills are:

Demonstrate knowledge of the structure and functions of a nail, and nail anatomy and physiology relevant to nail services.

Demonstrate knowledge of conditions of the nail and surrounding skin.

Demonstrate knowledge of micro-organisms that may be present in a salon environment.

Demonstrate knowledge of tools, equipment, products; and safe operating procedures used in nail services.

Demonstrate safe and professional practice in the salon environment.

Undertake an in-depth consultation and give advice, recommend nail products and services to meet client needs in a nail salon.

Perform gel polish nail applications for hands and feet.

Perform safe removal of gel polish nail applications.

Create appointments and maintain appointments systems and records in the salon environment.

Select and recommend products for at-home nail care plus the ability to on sell other services offered in a nail salon.

Additional training:

- **Gel Polish Art**
- **Acrylic Nail Extensions**
- **Spa Manicure & Pedicure**
- **Acrylic Nail Art**
